

INDY WOMEN PHYSICAL THERAPY
CONDITIONS & CONSENT FOR TREATMENT

Cooperation with treatment:

In order for physical therapy treatment to be effective, I must come to scheduled appointments unless there are unusual circumstances. I understand and agree to cooperate with and perform the home physical therapy program intended for me. If I have trouble with any part of my treatment program, I will discuss it with my therapist.

Cancellation Policy

I understand that if I cancel more than 24 hours in advance, I will not be charged. I understand that if I cancel less than 24 hours in advance, I will pay a cancellation fee of \$50.00. Patients will be given a one-time exception as we understand sometimes things cannot be prevented. In the event of bad weather the fee will be waived.

No warranty: I understand that there are no guarantees regarding a cure for or improvement in my condition. I understand that my physical therapist will outline and discuss goals of physical therapy treatment for my condition and will discuss treatment options with me before I consent to treatment.

Informed consent for treatment:

The term "informed consent" means that the potential risks, benefits, and alternatives of physical therapy treatment have been explained to you. The therapist provides a wide range of services and I understand that I will receive information at the initial visit concerning the treatment and options available for my condition.

Potential risks: I may experience an increase in my current level of pain or discomfort, or an aggravation of my existing injury or condition. This discomfort is usually temporary; if it does not subside in 24 hours, I agree to contact my physical therapist.

Potential benefits: I may include an improvement in my symptoms and an increase in my ability to perform daily activities. I may experience increased strength, awareness, flexibility and endurance in my movements. I may experience decreased pain and discomfort. I should gain a greater knowledge about managing my condition and the resources available to me.

Alternatives: If I do not wish to participate in the therapy program, I will discuss my medical, surgical or pharmacological alternatives with my physician or primary care provider.

Release of medical records:

I authorize the release of my medical records to the following physicians/primary care provider or insurance company;

Financial and insurance responsibilities:

I agree to pay for my treatments at time of service, by cash, check, or charge card unless other mutually agreed upon arrangements have been made. I understand it is my responsibility to call my insurance company ahead of time, and obtain any pre-authorization that is necessary, and get an estimate of my benefits. I understand my therapist will provide me with a receipt that is my responsibility to submit to my insurance company.

I have read the above information and I consent to physical therapy evaluation and treatment.
